ZTI LABORATORIES
A DIVISION OF
ZERO INVESTIGATIONS INC.®

ZTI Laboratories is a State Licensed Occupational Drug and Alcohol Testing Facility. The primary focus of our lab is to expedite results while ensuring the integrity of our testing process.

An Adulterant Test is performed on every specimen screened and we are enrolled in the Medical Laboratory Evaluation (MLE), a nationally recognized proficiency program.

From specimen collection through result reporting, every measure is taken to certify the accuracy of data reported to our clients.

Available Drugs of Abuse for Testing:

Marijuana (THC)	Opiates
Amphetamines	Cocaine
Barbiturates	Benzodiazepines
Oxycodone	Methadone
Propoxyphene	PCP
MDMA (Ecstasy)	Meth-Amphetamine
